

Hi Simon,

I hope you had a lovely weekend and managed to spend some time in the sun.

I just wanted to pass on my huge thanks to you, Kerry, Regan and Mitch for all of your fantastic efforts with regards to our air conditioning installation. It was not only a huge job, but made a little more challenging due to the nature of our work. You and your team were not only professional, but highly efficient and aware of your surroundings. From your openness and willingness to interact with the children, who LOVED watching you all work (especially when the crane came visit) to your flexibility with working around our schedule.

The installation of the air conditioning is going to make a huge difference to the daily lives of our children and staff.

I would highly recommend you and your team to anyone in the future.

Thank you.

Kind Regards,

Sammy Mudd
